### Enduring & Unique.

Amantii's realistic flame and larger flame viewing area are standard for this 51" unit. The fireplace unit can be recessed into an opening leaving the 3-3/8" depth concrete face sitting nearly flush against the wall. Included in the box is our new selection of three colours of fire glass media. The BLT-IN-5124 is designed to be wall mounted or built-in.

The fireplace unit can be recessed into an opening leaving the 3-3/8" depth concrete face sitting nearly flush against the wall. (There will be a 1/8" gap between the wall and the surround provided the unit is 2-3/4" out of the wall when installed)

BLT-IN-5124 Electric Fireplace in Tuscan Cream,  
Classico finish concrete face with Clear fire glass

BLT-IN-5124 Electric Fireplace in Venetian Grey, Moderno  
finish concrete face with optional Sunset Orange fire glass

# TIMELESS FINISH

Amantii is pleased to introduce our new line of hand-poured concrete surrounds. Our surrounds are beautiful to look at, transforming any space and providing years of enjoyment. Part of the unique quality of concrete is that textures and irregularities are part of its charm. As such it is not uncommon to find slight surface irregularities and colour variations from piece to piece. Each piece is cast by hand and the finest colour pigments have been used for the optimal in colour consistency. The Artisan surrounds are available in two styles; the Moderno and the Classico, and two colours; Venetian Grey and Tuscan Cream.

## ARTISAN CONCRETE FACE STYLE & COLOUR OPTIONS

### Styles:

Classico - Natural finish only

Moderno - Honed finish only

### Colours in each Finish:

Venetian Gray - Natural Finish

Tuscan Cream - Natural Finish

Venetian Gray - Honed Finish

Tuscan Cream - Honed Finish

*Variations in colour and shade are inherent in all printing processes, the actual colours may vary slightly from those shown in this brochure. Please visit your local dealer to view a sample.*
