TRU VIEW BESPOKE

45" • 55" • 65" • 75" • 85"

Introducing the Tru View Bespoke series from Amantii Electric, the ultimate in electric fires, using cutting edge technology and innovation to provide instant heat, realistic flames and adaptive ambiance to your living space.

The Tru View Bespoke is the outstanding result of extensive research and development, meticulous attention to detail, and the highest standard of quality. With a host of innovative features, our electric fires are unrivalled in their class.

A versatile design that can be installed in a multitude of ways; connect multiple units to make a bold statement.

Unlike other fireplaces, the Tru View Bespoke features customizable installation and connectable units for a grand masterpiece. With the fireplace, optional connection pieces come included.

Instant heat at your fingertips.

Part of the Tru View Bespoke design is to ensure that the fireplace offers clear and simple controllability. While functionality may have advanced and become more dynamic, we believe intuitive interaction is paramount.

The Tru View Bespoke can be controlled in three ways:

- Manually using the multi function control panel discretely located on the fireplace.
- With the intuitive remote control
- Through your smart device using WiFi connectivity.

With WiFi connectivity, enhance your experience with our smart app that enables you to control your fireplace from anywhere! The app allows you to set tailored programs, schedule on/off times, set temperatures, design custom light effects and so much more.

ADDITIONAL FEATURES

- Available in sizes 45", 55", 65", 75" and 85"
- Biggest and the Best - 20" Viewing area
- Double the heat output from 5000 to 10,000, when two units are joined together on 120V
- TRV 45 comes with 1 heater fan, Max 5000 BTU on 120V
- The TRV 55, 65, 75 & 85 come with 2 heater fans, Max 5000 BTU on 120V, or 10,000 BTU on 240V

TRV 55" Bespoke with Birch Media Electric Fireplace

THE COMBINATION POSSIBILITIES ARE ENDLESS

It is possible to make multiple sizes by simply placing two or three units together of any size. A linear fireplace of 90" can be created by joining two 45" Tru View Bespoke units together.

Combine a 55" and 65" Tru View Bespoke for 120". Combining two units of 75" would be a custom 150" electric fireplace. A Tru View Bespoke linear fireplace of 185" would consist of two 55" and one 75" unit.

Anything can be combined, and the possibilities are endless

- 45" & 45" for 90"
- 45" & 55" for 100"
- 45" & 65" for 110"
- 45" & 75" for 120"
- 45" & 85" for 130"

- 75" & 45" for 120"
- 75" & 55" for 130"
- 75" & 65" for 140"
- 75" & 75" for 150"
- 75" & 85" for 160"

- 55" & 45" for 100"
- 55" & 55" for 110"
- 55" & 65" for 120"
- 55" & 75" for 130"
- 55" & 85" for 140"

- 85" & 45" for 130"
- 85" & 55" for 140"
- 85" & 65" for 150"
- 85" & 75" for 160"
- 85" & 85" for 170"

- 65" & 45" for 110"
- 65" & 55" for 120"
- 65" & 65" for 130"
- 65" & 75" for 140"
- 65" & 85" for 150"

BI-40-XTRASLIM MANTEL SURROUND

Beautifully Inspired

Our mantel surrounds bring the beauty of genuine birch wood into any space. With four nature inspired colors to choose from, you will find a mantel-surround that is perfect for any space in your home, business or commercial setting. Amantii has designed a mantel-surround for your Bi-40-XTRASLIM fireplace that will compliment every style.

All our mantel-surrounds have been crafted from birch wood with a paint wash application reflective of the variety of colors found in a birch tree forest.

As with all genuine products, variations to the natural wood grain will mean there could be slight variations that may differ from the catalog images or samples.

Variations will occur in color, character, tone and grain from product to product. Slight variations between samples and finished goods should be anticipated. In addition, a touch up pen has been included in the packaging should there be any imperfections caused by the shipping of this product.

The BI-40-XTRASLIM mantel-surrounds have been approved for use in kitchens and bathrooms. The mantel-surrounds cannot be used in outdoor settings.

White Birch • Grey Bark • Natural Birch • Knotty Black

BI 50" XS with Glass Media Electric Fireplace

BI 72" XT with Glass Chunk Media Electric Fireplace

OUTDOOR APPROVED | ELECTRIC FIREPLACES

FIRE GLASS

Our decorative fire glass media is a beautiful addition to your fireplace. Turn your fireplace into a expressive work of art by simply adding our decorative fire glass media. Our fire glass adds a distinctly modern feel to your electric fireplace - mix colors and textures for a unique appearance.

Our decorative fire glass is tempered and will not melt or degrade, some discoloration is normal on glass that is placed directly on the flame. Always wear protective gloves when handling fire glass media.

One 5lb container of media will cover 1 square foot.
