BI-40-XTRASLIM MANTEL-SURROUND

Beautifully Inspired

Amantii's newest line of birch wood mantel-surrounds bring the beauty of genuine birch wood into any space. With four nature inspired colors to choose from, you will find a mantel-surround that is perfect for any space in your home, business or commercial setting. Amantii has designed a mantel-surround for your Bi-40-XTRASLIM fireplace that will compliment every style.

All our mantel-surrounds have been crafted from birch wood with a paint wash application reflective of the variety of colors found in a birch tree forest.

As with all genuine products, variations to the natural wood grain will mean there could be slight variations that may differ from the catalog images or samples.

Variations will occur in color, character, tone and grain from product to product. Slight variations between samples and finished goods should be anticipated. In addition, a touch up pen has been included in the packaging should there be any imperfections caused by the shipping of this product.

The BI-40-XTRASLIM mantel-surrounds have been approved for use in kitchens and bathrooms. The mantel-surrounds cannot be used in outdoor settings.

White Birch • Grey Bark • Natural Birch • Knotty Black

SLIM

The Panorama Slim series of built in electric fires have been designed to give you the maximum in flexibility in selecting a unit that perfectly suits your needs.

This stylish fireplace will be a focal point in any room, indoor or outdoor. At just 6 3/4" in depth the Panorama Slim is a practical choice for new construction projects and renovations alike.

The Slim series can be installed with your choice of finishing material right up to the glass for edge to edge viewing, or you can use the black trim that is provided. Additional media options available for purchase.

DESIGN-MEDIA-BIRCH-15PCE

AND CHOICE OF ONE MEDIA KIT:

PANORAMA SERIES | ELECTRIC FIREPLACES

FIRE GLASS

Our decorative fire glass media is a beautiful addition to your fireplace. Turn your fireplace into a expressive work of art by simply adding our decorative fire glass media. Our fire glass adds a distinctly modern feel to your gas fireplace - mix colors and textures for a unique appearance.

Our decorative fire glass is tempered and will not melt or degrade, some discoloration is normal on glass that is placed directly on the flame. Always wear protective gloves when handling fire glass media.

One 5lb container of media will cover 1 square foot.

Images are not to scale, please visit your local dealer to view the actual accessories.

Variations in the color and shade are inherent in all printing processes, the actual colors may vary slightly from those shown.

Note: Log sets and Designer Media Kits will fit in all sizes of the following models - Panorama DEEP, TRU VIEW XL and CUBE ONLY. (Depending on the size of the fireplace model, some logs may not be needed.)

DESIGNER MEDIA KITS

Add incredible value with designer media kits including deluxe log sets, glass and stone media and decorative embers.
