Make your space complete with the Contemporary Pedestal Display, which offers flexibility and simplicity in styling, allowing your space to include the luxury of a fireplace

The installation of an electric fireplace in your showroom using a Contemporary Pedestal Display is extremely simple. Requires no remodeling. Simply assemble the pedestal and storage, insert the fireplace, and plug it into a standard outlet. Because installation of these displays does not require any remodeling, structure modification, or permanent wiring, these displays can be easily moved around in your showroom.

Easy Installation, everything you need comes in the box.

FEATURES

- Sleek European design
- Quick and easy assembly.
- Allows you to install/display fireplace anywhere in your room
- Transforms the fireplace into a freestanding unit
- Can be easily moved to another room
- Realistic log display area

26" x 34.2" x 8"

FEATURES

- This fireplace delivers realistic flames that replicates natural fire.
- It comes complete with tempered front glass, a plug kit for easy installation, and a remote control for added convenience.
- With a powerful fan-forced heater, it efficiently warms spaces up to 500 square feet, ensuring cozy comfort whenever needed.
- Handcrafted and molded from real wood logs, the included logs feature inner lit LED lights, creating a captivating pulsating effect that mimics the glow of burning embers.
- WiFi App – For complete control from any room. Set the fireplace to turn on before arriving home, or have it turn on automatically when the weather is cold.

EVO6020

49.2 x 152.4 x 13.2 cm
19 1/2" x 60" x 5 1/8"

EVO5020

FEATURES

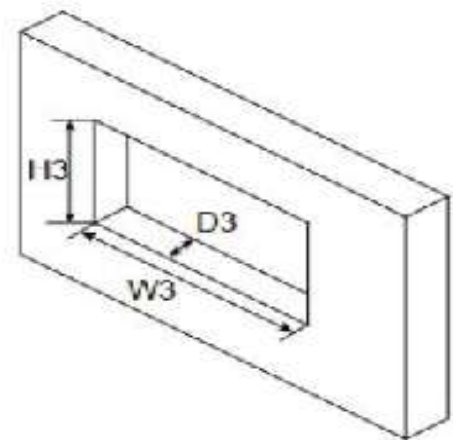

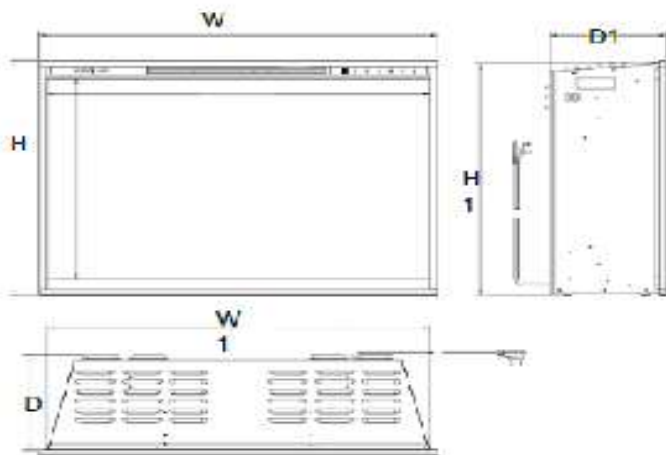

- Easy Installation: Designed for hassle-free installation
- Ready to use straight out of the box—simply hang it on the wall and plug it into a standard 120V outlet.
- Efficiently heat large rooms up to 400 square feet with the powerful 5000 BTU and 1500 Watt output of this unit.
- The black, nearly frameless design of this modern linear electric fireplace creates a minimalist look that complements your décor while enhancing the visual appeal of the flames.
- The controls are user-friendly, illuminating when needed and dimming when not in use. This design ensures complete control without the illuminated buttons detracting from the fireplace’s overall appearance while you relax.
- Enjoy this fireplace any time of day with high-intensity LED lights in both the flames and ember bed, ensuring a captivating view regardless of the surrounding light conditions.
- No need to get up—you can operate this fireplace from the comfort of your favorite spot using the included full-feature remote control

FEATURES

- 1 Year Warranty
- Pre-installed premium Oak Log Set: Adds a realistic and cozy ambiance to your space.
- Features a mirrored back panel that enhances the sense of depth within the flame and firebox.
- Capable of heating rooms up to 500 sq. ft. with a powerful 5,000 BTU output. Hard-wired to 10,000BTU
- WiFi compatible to connect and control the replace from your smartphone with the use of our app. Available on the Google play store and the Apple App Store.
- The Single Colors – Blaze Blue, Golden Ember, and Inferno Orange – each deliver a striking, pure flame effect in vivid blue, radiant yellow, and vibrant orange, respectively.
- Crystal Ember Bed: Enhances the glow and realism of the flames.
- Low Energy LED Flame Technology: Energyefficient and eco-friendly flame effects.
- Year-Round Enjoyment: Use with or without heat, making it perfect for any season.
- Easy Operation: No need to build or maintain a fire—simply plug in and enjoy
- Customizable Look: Choose from 4-sided or 3-sided trim kits to seamlessly integrate the insert into your existing fireplace.
- Compatibility: Surround sets are available for 30", 36", and 42" models, designed to fit most traditional wood-burning fireplaces.
- Classic Design: The Rusticstone model offers a clean, timeless look to enhance your living space.

FEATURES

- Three-Sided Glass Design – Now featuring a sleek, modern three-sided glass enclosure that creates a deeper viewing area and allows for a panoramic display of the flame effect, enhancing both ambiance and architectural appeal.
- Optimyst® Flame Effect – Revolutionary, patented ultrasonic technology produces a fine mist of water vapour to create the illusion of flames and smoke. The plumbed water supply kit is included
- Flame Intensity Adjustment – Allows you to control the flame volume according to your preference.
- Continuous Water Supply – included plumbing water supply kit to ensure uninterrupted operation without the need for refilling water tanks.
- Zero Emissions – The most sustainable fireplace option; no emissions and 100% efficient.
- Innovative Fusion – A groundbreaking concept that seamlessly combines the warmth of a flame, exceptional quality, and immersive sound—introducing a fireplace with integrated audio.
- This model can only be built-in.
- Fire & Sound – Two (2) quality audio speakers deliver a crackling sound. The audio is an ON/OFF feature that can be controlled through the WiFi app. Available on the Google play store and the Apple App Store.
- Intuitive Remote (included) – Colorful Intuitive remote to adjust the flames, temperature, or timer. Patented Thermostatic remote. Can be set, adjusted, and programmed for your fireplace to turn on when you want and at the temperature you want.
- Flame Presentation – State of the art flame presentation: Vibrant, multi-colored state of the art flame presentation – change from Yellow to Orange to Red with just a click of the remote.
- WiFi App – For complete control from any room. Set the fireplace to turn on before arriving home, or have it turn on automatically when the weather is cold.
- Bluetooth Connectivity – Featuring a fireplace with high quality audio from Bluetooth speakers. Simply pair your phone with the fireplace and press play on your smartphone.
- Our tech specifications proudly detail 12.5 Amps dedicated to our fireplace with the heater on, complemented by 3.83 Amps for the Dimplex cassette, culminating in a total requirement of 17 Amps when the heater is set to high.
