3-Sided Glass Built-in Fireplaces

Fire & Ice
powered by *Amantii*

KEY FEATURES

- 1-Year Warranty: Backed by a comprehensive manufacturer's warranty.
- Canopy & Tray Lighting: Creates a warm, inviting ambiance.
- Multi-Color Flames: Yellow, orange, and red flames with customizable blends for a personalized look.
- Versatile Three-Sided Glass Design: Fits any room with options for corner, fully inset, or wall-mounted installations. Includes 11 customizable lighting effects.
- Efficient Heat Output: Evenly distributes warmth for a cozy atmosphere.
- Included Remote Control: Conveniently adjust all settings from anywhere in the room.
- Customizable Ambiance: Easily tailor flame, lighting, and heat to your preference.
- Patented Engineering: Built with innovative design for reliable, high-performance operation.
- TV-Safe Installation: Designed for safe placement beneath a TV without risk of heat damage.
- Adjustable Heat with Thermostat: Multiple heat settings and a programmable thermostat for personalized comfort.
- Customizable Flame Controls: Adjust flame speed and intensity to match your mood and ambiance.
- 120V Plug-In Ready: Quick and easy plug-in installation for hassle-free setup.
- 240V Hardwire Option (Up to 10,000 BTU): Upgrade to hardwiring for maximum heating performance.

Mirrored Back Glass Design

- Creates an illusion of depth, making the flames appear to rise seamlessly between the logs.
- Enhances the visual appeal, adding a mesmerizing, lifelike quality to the fireplace.

TWO-SIDED

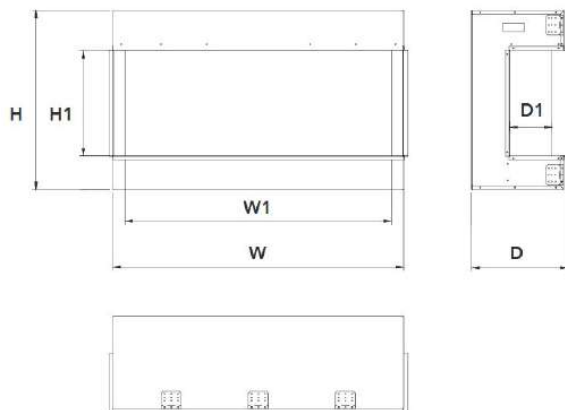

The "Cornered" option allows for only one side to be covered and installed in a corner section of a room, making it an ideal choice for spaces where this style fits best. This can be achieved by covering either the left or right side of the fire, resulting in a more striking and dramatic room composition.
