

Evolution Linear

Introducing the pinnacle of modern home heating sophistication: the Evolution linear electric fireplace. Designed to redefine elegance and functionality, this sleek fireplace seamlessly integrates cutting-edge technology with minimalist aesthetics, creating a stunning focal point for any space. Prepare to embark on a journey of innovation and style as we explore the revolutionary features and timeless appeal of the Evolution.

KEY FEATURES

- **Contemporary Design:** The LINEAR Evolution linear electric fireplace boasts a sleek and minimalist design, perfect for modern living spaces seeking a touch of sophistication.
- **WiFi Connectivity:** Control your fireplace remotely via our app, available on Google Play and the Apple App Store.
- **Ultra-Realistic Flames:** Experience the mesmerizing beauty of lifelike flames, created with advanced technology to mimic the natural flicker and movement of real fire.
- **Adjustable Flame Settings:** Customize your ambiance with adjustable flame settings, allowing you to set the intensity and brightness to suit any mood or occasion.
- **Multi-Color LED Backlighting:** Elevate your space with dynamic multicolor LED backlighting, offering a spectrum of hues to complement your decor or create a captivating visual display.
- **The flame color has the capability to transition through a spectrum of 15 distinct hues**
- **Remote Control Convenience:** Take control of your fireplace from any room
- **Easy Installation:** Designed for hassle-free installation
- **Ready to use straight out of the box—simply hang it on the wall and plug it into a standard 120V outlet.**
- **Efficiently heat large rooms up to 400 square feet with the powerful 5000 BTU and 1500 Watt output of this unit.**
- **The controls are user-friendly, illuminating when needed and dimming when not in use. This design ensures complete control without the illuminated buttons detracting from the fireplace's overall appearance while you relax.**
- **Enjoy this fireplace any time of day with high-intensity LED lights in both the flames and ember bed, ensuring a captivating view regardless of the surrounding light conditions.**
- **No need to get up—you can operate this fireplace from the comfort of your favorite spot using the included full-feature remote control.**
- **The black, nearly frameless design of this modern linear electric fireplace creates a minimalist look that complements your décor while enhancing the visual appeal of the flames.**
